WORK EXPERIENCES

Social Media Associate | Echobend, Los Angeles, U.S.

Sep. 2024 – Feb. 2025

- Executed end-to-end social media content strategies across multiple platforms including Meta Ads (Facebook and Instagram) and Website Traffic Campaign, driving an **11.7% increase in overall audience engagement**.
- Increased average short-form video views from **~1K to 7K per post** through data-driven content optimization and trend analysis.
- Supported influencer marketing initiatives by coordinating content execution and campaign rollouts involving **macro influencers and celebrity partners** (e.g., Sydney Sweeney, Rosé, Mariah Carey, Conan Gray).
- Monitored performance metrics and iterated creative strategies to improve brand visibility and audience retention.

Marketing Intern (B2B & Growth) | CambioML, San Jose, U.S.

Sep. 2024 – Feb. 2025

- Built and maintained a database of **100+ B2B partner prospects** across the Bay Area, supporting business development initiatives.
- Assisted in the recruitment of **10 software engineer interns** through integrated digital and social marketing campaigns.
- Contributed to SEO and content optimization efforts, resulting in a **12% increase in backlinks** and approximately **15% weekly growth in website reach**.
- Collaborated with cross-functional teams to align marketing initiatives with technical and recruiting objectives.

Digital Media Assistant | University Payroll & Benefit, Illinois, U.S.

Aug. 2023 – May. 2024

- Translated complex video production workflows into clear operational documentation, improving internal process efficiency.
- Reviewed and refined digital media and administrative documents to enhance **clarity, consistency, and usability**.
- Supported internal communication and documentation management using **Microsoft Excel, OneNote, and Teams**.

Researcher | UIUC, Illinois, U.S.

Dec.2022 – May. 2024

- Supported a VR research project examining **the Proteus Effect** and its impact on self-efficacy during physical exercise.
- Conducted user experiments and assisted in analyzing the relationship between **avatar design and user interaction**.
- Collaborated closely with faculty and research teams, strengthening skills in experimental design and data interpretation.
- Applied insights from user behavior research to **digital experience and interaction design contexts**.

Advertising Campaigner/Sales Team | Amazon & GO, Illinois, U.S.

Aug. 2022 – Dec. 2022

- Designed and executed advertising campaigns for Acure's "Incredibly Clear" product line.
- Optimized Ad spend and targeting strategies, driving a 20% increase in traffic and click-through rate (CTR).
- Managed a \$2,000 campaign budget, contributing to an approximate 10% sales increase over four months.

LEADERSHIP EXPERIENCES

Founder & CEO | Start-up Nail Business.

Aug. 2023 – Present

- Launched a successful small business specializing in affordable, high-quality nail art.
- Implemented consistent social media strategies, achieving stable revenue and building a loyal customer base.
- Gained a social media following of 200 on platforms such as Instagram and Red Book.
